

Relax. Sit back. Take your time as you browse through our menu.

Our wine list is unlike any other in Phu Quoc; *sui generis* as it were, carefully curated to enhance your dining experience at The Spice House.

Why are most of them Italian wines? Simply because they are diverse, delicious and like us, without pretense. We also think that they beat the fair average quality of the French and South African wines imported here.

Go for our signature cocktails, our freshly squeezed fruit juices. Cap it all off with great coffee made from 100% Colombian Arabica beans. Or even an after-dinner drink and cigar. Cheers!
